

## **When does the market data update?**

Written by Administrator

Thursday, 05 March 2009 17:05 - Last revised Tuesday, 08 September 2009

---

End Of Day (EOD) market data updates each day at 19:30 Eastern Time (GMT-5) for US exchanges and at 1:30 the following day for all other exchanges. We're now making efforts to make the data available sooner.
